PRESS RELEASE OF RICE PARSONS LEONI & ELLIOTT REGARDING PROVINCE OF BRITISH COLUMBIA'S FILING IN NORTHERN DISTRICT OF CALIFORNIA

On behalf of our clients, we are glad to see that the Province of British Columbia has joined the fight against OpenAI and Samuel Altman by filing a lawsuit in the Northern District of California to hold them accountable for their alleged role in the Tumbler Ridge Mass Shooting. We look forward to the Province's resources and cooperation in seeking justice and accountability for the victims and the survivors of this unfathomable tragedy, which we allege would have never happened if not for the Defendants' conduct.

For any further inquiries about the California lawsuits filed against OpenAI arising out of the Tumbler Ridge Mass Shooting, please contact Rice Parsons Leoni & Elliott LLP (jrice@rplelaw.com or mhogan@rplelaw.com) or Edelson PC (kmccann@edelson.com).
